

**SOLIDARITY RALLY – Wednesday September 27,
12 noon**

Please join the Solidarity Rally in support of the members from PSAC/UCTE Local 50600 who have been out on a picket line since July 24, 2017.

The main priority issue is the WAA's use of contractors that are doing the work of bargaining unit members. We are fighting to ensure the job security of our members.

Please meet at 11:50am at City Hall, 510 Main Street.
